Turnberry Golf Club introduces the Advantage Card where:

“Non-membership has its privileges”

The Turnberry Advantage Card provides you with all the benefits of a private club without the private club prices and restrictions; and is fast becoming the popular choice among GTA businesses, business professionals, and avid golfers.

Take “Advantage” of the following package features:

1. Preferred Rates for Golf

Your pre-paid commitment to the 2012 golf season entitles you to savings of up to 30% on our standard prime time golf rates.

2. Fully Transferable Golf Passes

The freedom to share your Advantage Card with business associates, friends, and family without any restrictions ensures that your invested dollars will not go to waste. Unlike most private clubs, we have no guest restrictions.

3. Advance Tee Time Bookings*

Reserve your golf up to one month in advance – two weeks earlier than the general public. Early booking privileges mean better access to preferred tee times and more efficient use of your busy schedule.

4. Complete Access to all Clubhouse Facilities

The Advantage Card allows you full access to all of our amenities. Enjoy contemporary styled cuisine and thrilling panoramic views in Restaurant Nine18 or strengthen business relationships in our meeting room before your round of golf.

5. House Account Billing*

Settle charges for Turnberry and Restaurant Nine18 products and services discretely as you entertain guests. Month-end billing conveniently summarizes expenditures and becomes a useful tool for tracking, reporting, and budgeting client entertainment resources. And as an added bonus, all house account billings will receive a 9% month end discount.

*Applies only to Gold Unrestricted Packages
