2020 GOLF EVENT PACKAGE

The Golf Experience

Welcome to Turnberry Golf Club, Ontario's first Championship Short Course and the perfect venue to host your corporate or charity golf outing.

Our award winning golf course is built on an 85 acre parcel of land that rehabilitates an existing aggregate quarry. The Course is designed to capture the characteristics of British Isles golf and its parent course– Eagles Nest Golf Club, located in Maple, Ontario. With undulating topography, sparse vegetation, and exceptional green contours, golf at the “Short Course” provides visually appealing holes, variety, and a challenge for any/all caliber of golfer.

Turnberry is an executive length golf course, approximately 3,300 yards in length. The course begins and ends with long par fours with 16 challenging par three's in between. Each hole has a sense of individuality with large scale mounding providing a sense of enclosure and separation for the golfer.

The holes have been designed to emphasize variety, with the goal to have the golfer use every club in their bag. The expansive tee decks, generous green complexes, and strategic placement of bunkers will ensure a challenge, variety, and playability. Architects Dough Carrick and Cam Tyers have incorporated these important elements into the design to ensure an exciting and enjoyable golf experience.

The clubhouse at Turnberry is approximately 5,500 square feet with an open concept restaurant called NINE18. Restaurant NINE18 offers a wrap around terrace and patio overlooking the golf course and an indoor/outdoor fireplace. The full service bar and lounge features televisions to watch your favourite sports teams. Additional amenities include a private meeting room, large garden terrace tent, and a fully stocked golf shop.

Whether you are considering a small intimate group or a full closure of 80 players, Turnberry Golf Club is the perfect destination.
